Keynote Lecture	
Luis Cabero Roura	Maternal Mortality in the World. The inequity
Session 1	
Up to date in perinatology	
Nebojša Radunović	Early images of embryo
Giuseppe Benagiano	Premature labour: causes, and treatment (medical) prevention
Željko Miković	Management of first and second stage of TTTS -- therapeutic options
Tihomir Vejnović	Can it be cesarean delivery minimally invasive?
Session 2	
Laparoscopy in modern gynaecology	
David Kuzel	Gynaecological endoscopy – State of art
Peter Koliba	Laparoscopic diagnosis and treatment of endometriosis
Hans Brolman	Endoscopic complications
László Pálfalvi	Laparoscopy as a primary approach in ovarian cancer
Session 3	
Conservative and operative treatment of leiomyomas	
Thomas Rabe	Ethiology of leiomyomas and its conservative treatment with Ulipristal acetate
Bogdan Marinescu	Treatment of leiomyomas by laparoscopy
Attila Török	The role of myoma in infertility
Session 4	
Hormonal contraception	
Ana Mitrović Jovanović	Prevalence of hormonal contraception in Serbia
David Archer	The pharmacokinetic or the Phase 3 data of Drospirerone
Marc L'Hermite	Transdermal estradiol and VTE
Henry Gabelnick	The renaissance of dual protection
Ilpo T. Huhtaniemi	Male contraception
Session 5	
Reproductive endocrinology – an update	
Djuro Macut	Reproductive endocrinology
Aino Fianu-Jonasson	The effect of oxytocin on the vaginal atrophy
Philippe Bouchard	Selective Progesterone receptors
Petra Stute	Vaginal atrophy and its treatments
Vlad Tica	Breast safety of local progesterone versus synthetic progestins. Where is the evidence?
Britt-Marie Landgren	The importance of thyroid regulation in female reproduction
Valedictory Lecture	
David Archer	Heavy menstrual bleeding - an audit
Poster Session	
Luka M. Anđelić, Vesna Kopitović, Svetlana Spremović-Radjenović, Vera Kovačević	Impact of laparoscopic endometrioma stripping surgery on fertility: preoperative and postoperative changes of serum Anti-Müllerian hormone levels.
G. Badényi, É. Kis, Z. Belics	Amniotic fluid „sludge” and subchorionic hematoma: Coincidental occurrence of the two ultrasound findings.
Zoran Belics	Enlarged fetal iliac angle as a sonographic marker for trisomy 21.
Bogavac Mirjana, Karaman A. Maja, Mimica-Dukić M. Neda, Milana Novaković, Matavulj N. Milan, Novaković Zoran	Potential application of antioxidative and antibacterial activity of some fungal and mushroom species against animal and clinical bacterial vaginal strains
Bogavac Mirjana, Tatic – Stupar Žaklina, Stojić Siniša	Delivery in pregnancy complicated with preeclampsia and IUGR
Čurković A., Sokolović D., Babić S., Vasić B., Živanić V., Karadzov Orlić N, Cagulović T.	Benefit of genetic screening in a suspicious case of achondroplasia (case report)
Čurković A, Sokolović D, Karadzov Orlić N, Živanić V, Janković Raznatović S, Mitrović Jovanović A., Lubardić Savić S., Jovanović B., Dimitrijević D., Ignjatović B., Tasić L., Cecez Dj., Babić S., Pesić Stevanović I, Jevtić Djordjević I	Embryonal/fetal behaviour in course of the introduction and wide usage of the 3D/4D ultrasound scanning (our experience)
J. Gasić, A. Mitrović, V. Krsić	Elevated values of beta-hCG and adrenal gland carcinoma
Gabor Halmos, DFSRH, Andrea Szöllösi Párducz, György Bártfai	Contraceptive methods in Hungary and overseas
Jasmina Hamidović, Suada Tutuć, Ljubinka Nikolić, Lejla Hamidović	Retrospective analysis of the pathological pregnancies on goa of the hospital Novi Pazar (five year time view)
Andjelka Hedrih, Mihailo Lazarević, Ana Mitrović Jovanović	Importance of number of hyperactivated spermatozoa for successful fertilisation through mechanical oscillatory model of mouse Zona Pellucida
Andjelka Hedrih, Vladimir Hedrih	Are attitudes of potential sperm donors in Serbia towards relation with offspring related with their personality traits?
Petar A. Jovanović	Bilateral vasectomy in outpatient basis

Dragoljub Jovanović, Tamara Anđelković, Mila Drašković, Miodrag Stodić, Novica Ivanović	Preвременi porođaj i starosna struktura trudnica
V. Jovanovic, B. Stankovic, V. Simic	Correlation Women's knowledge about cervical cancer and Pap test with their Participation in screening
Kaluderović, V., Kaluderović, Z., Mladenović, R., Antić, Lj., Malešević, G.	Control and ending of the pregnancy with adnexal tumor, diagnosed at the end of the first trimester (case report)
Dunja Lončar, Sanja Bulatović, Zoran Šuvaković, Gordana Radeka, Tihomir Vejnović	Preterm and preterm premature rupture of membranes in parturients who conceived in an invitro fertilization program
Aljosa Mandić, Tamara Vujkov, Nataša Prvulović, Bojana Gutić, Slavica Knežević Ušaj	Preoperative evaluation of uterine isthmus-cervical infiltration in patient with cervical cancer usin magnetic resonance imiging
Aljosa Mandić, Slavica Usaj-Knezević, Tatjana Ivković-Kapicl, Dejan Ninčić, Goran Malenković, Bojana Gutić	Cyclooxygenase-2 expression in cervical cancer
Vesna Mandić Marković, Željko Miković, Nikola Cerović, Jelena Vugdelić	The prediction of perinatal asphyxia in preterm growth restricted fetuses
Milincic Nemanja, Stanisic Nikola, Petrovic Branislav, Cankovic Petar	Cancer diseases of genital systems in Central Kosovo
Sanja Novakovic, Ana Mitrovic Jovanovic	Ovarian Abscess and Carcinoma in the Pregnancy
Perisić-Jeremic, Mitrovic-Jovanović A, Perisic M, Perisić Z	The effect of Lactobacillus species on PAP smear in pregnancy
Popović M, Banicević Cerić A.	Vaginal hysterectomy as a method of hysterectomy due to endometrial carcinoma in a woman with morbid obesity. Case report.
Jelena Savija, Jovana Radakovic, Ana Mitrovic Jovanovic	Recurrence of endometriosis in women with different surgical treatment
Radlović P, Đaković M, Rulić B, Četković A, Galogaža V, Jovanović V	Pelvic organ dysfunction after radical hysterectomy with or without preservation of autonomic nerves
Marta Rakos, Andrea Szöllösi Parducz, Endre Holman, Laszlo Parducz,	Female and male sexual behavior and satisfaction on the middle - east hungarion region
D. Sokolović, A. Curković, Mitrovic Jovanovic A., Lubardić Savić S., Zivanic V., Cecez Dj., Karadzov Orlic N., Ignjatović B., Jovanovic B., Babić S., Janković Raznatović S., Korac J., Tasić L., Jevtić Djordjević I., Mihajlović S.	Premature delivery by cesarean section (CS)-maternal complication-our view to the problem
D. Sokolović, A. Curković, A. Mitrovic Jovanović, S. Babić, J. Djukić, N. Karadzov Orlic, I. Pesic Stevanovic, L. Tasić, S. Janković Raznatović, J. Stanković	The mode of delivery in patients with diabetes mellitus complicated pregnancies, considering the usage of the epidural analgesia in the process
Milan Stefanović, Predrag Vukomanović, Jasmina Popović, Ranko Kutlešić, Aleksandra Tubić-Pavlović, Jelena Milošević-Stevanović	Preeclampsia and insulin resistance syndrom-influence on pregnancy course
János Sztán, László Párducz, László Tarnai	Saving fertility in earling stage cervix cancer
Svetlana Tica	Health-education activities-the key to modern contraception
Topić V., Koprivšek K., Miković Ž., Gazikalović S., Puzigača Ž.	Unilateral ventriculomegaly secondary to basal ganglia infarcts: prenatal mr imaging diagnosis and postnatal folow up
M. Trišović, O. Kontić, A. Mladenović- Mihailović, P. Mitrović	The association between oral contraceptives and increased levels of plasma C-recreative protein
Boro Vujasin	Human reproduction in increasing danger
Orelj Popić Mileva, Mladenović Segedi Ljiljana, Vukičević Đurđa, Milošević Stevan, Stajić Gordana	Genital warts during pregnancy
Dušan Vuleta, Vesna Milošević, Gordana Kovačević, Mihaela Mocko Kačanski, Zorica Grujić, Aleksandar Čurčić	Pregnancy. Are we thinking about HPV?
Zivadinovic R, Petrić A.	Validity of peritoneal cytology in the grading of ovarian carcinoma
Vejnovic T., Novakov Mikic A.	Efficacy and tolerance of polygynax pessaries in treatment of colipitis caused by different infective agents
Vejnović Tihomir, Višnjevac Nemanja, Vejnović Aleksandra, Kozarčić Tatjana, Kulauzov Marija, Milosavljević Biljana, Melinda Vanya4, György Bártfai, Bogavac Mirjana, Novakov Mikić Aleksandra	Development of innovative technologies for prevention and treatment of female genital infections -DEVTEGEN- Preliminary results
Kornélia Szabó, Nikoletta Nagy, Katalin Farkas, Melinda Vanya, László Janovák, Tamás Bitó, György Bártfai, Tihomir Vejnovic, Lajos Kemény, Imre Dékány	Chronic vulvovaginal candidiasis- predisposing factors, genetics background and investigation of new treatment modalities
P. Chitulea, Gabriela Paina, R. Gherai	Cervical cerclage by munteanu procedure
P. Chitulea, Gabriela Paina, R.Gherai	Vejnovic procedure for caesarian section
P. Chitulea, Gabriela Paina, R.Gherai	Trachelectomy in HPV related cervical dysplasia
Dașcău Voicu1, Furău Gheorghe1, Furău Cristian1, Onel Cristina1, Burdan Dorina2, Filimon Angelica2, Păiușan Lucian3, Radu Adriana3	Histological types of uterine cancer in the "Dr Salvator Vuia" Clinical Obstetrics and Gynecology Hospital Arad during the 1998-2012 period
Dașcău Voicu1, Furău Gheorghe1, Furău Cristian1, Onel Cristina1, Burdan Dorina2, Filimon Angelica2, Păiușan Lucian3, Radu Adriana3	Histological types of cervical cancer in the "Dr Salvator Vuia" Clinical Obstetrics and Gynecology Hospital Arad during the 1998-2012 period
Furau Cristian, Furau Gheorghea, Dascau Voicua, Ana Liana Tatarua, Cristina Onela, Casiana Stanesuca,	Arad's Obstetrics Department Experience in Adapting the Vejnovic Cesarean Section Technique

Anastasiu MD, Cean A, Bojin F, Gluhovschi A, Anastasiu D, Craina M, Paunescu V	Placental stem cells modulate tumor formation in mouse model of uterine sarcoma
Dana Stoian1, M.Crainia1, Mihaela Craciunescu2, Diana Anastasiu1, D.M. Anastasiu1	Significant weight loss on adult female sexual life
Novakov Milkić Aleksandra1, Kulauzov Marija3, Bogavac Mirjana1, Višnjevac Nemanja2, Ilinčić Marko2, Vejnović Aleksandra, Vejnović Tihomir1, György Bártfai4.	Devtegen project – Study design and methodology
